Global Leader in GPS Tracking

PEACE

*PEACE OF MIND
FOR VEHICLE OWNERS!*

24/7/365 ONLINE

The global leader in Vehicle Location Services, CelluTrak, is the result of a partnership between Ituran, a leading pioneer in Vehicle Location Services, and Celluland, a major international telecommunications retailer.

Celluttrak is the product of nearly \$150 million dollars in research and development by Ituran which has established an international presence across three continents, and is publicly traded on the NASDAQ exchange under the ITRN banner.

STABILITY AND SERVICE AT YOUR FINGERTIPS

Celluttrak products and services have a proven track record of meeting customer needs and demand. In addition to leading the way in technology and product development, Ituran provides 24/7 customer support to more than 700,000 subscribers worldwide.
